

Forex & Expense Policy

VWGDS (Demo) — Enterprise Policy Pack

Document ID	VWGDS-POL-FRX-004	Version	4.0
Owner	Finance Shared Services	Effective Date	01-Apr-2026

This is a fictional demo document created for AI assistant / RAG training purposes. It does not represent an actual Volkswagen Group Digital Solutions policy.

1. Purpose

This policy governs foreign exchange entitlements, per diem structures, and the submission and reimbursement of business expenses incurred during official travel.

2. Scope

Applicable to all employees incurring business expenses or requiring foreign currency for international travel.

3. Definitions

Term	Definition
Forex Card	A prepaid multi-currency card issued for international travel expenses.
Per Diem Slab	A grade-wise daily allowance for meals and incidentals during travel.
Expense Claim	A formal submission of business expenses with supporting receipts for reimbursement.
Non-reimbursable Expense	Any expense explicitly excluded from company reimbursement under this policy.

4. Policy

Forex Entitlement

Employees travelling internationally are issued a forex card loaded as per the destination country's per diem slab, disbursed 3 working days before departure.

Per Diem Slabs

Management Trainee/Executive: USD 60/day (or equivalent); Band C: USD 80/day; Band D and above: USD 110/day, applicable for countries in Standard cost category; higher cost cities (e.g., New York, London, Tokyo) carry a 25% uplift.

Expense Submission Timeline

All expense claims must be submitted within 7 working days of return from travel, with original or digital receipts for any single expense above Rs. 500.

Non-reimbursable Items

Alcohol, personal entertainment, spa/laundry (unless stay exceeds 5 nights), and traffic fines are not reimbursable under any circumstance.

Currency Conversion

Reimbursement for foreign currency expenses will use the RBI reference rate on the date of expense, or actual card statement rate if paid via corporate forex card.

5. Approval Matrix

Scenario	Approval Required
Expense claim within per diem	Reporting Manager
Expense claim exceeding per diem by <20%	Department Head
Expense claim exceeding per diem by >=20%	Department Head + Finance Controller

6. Workflow

Step 1. Employee submits expense claim in the finance portal with itemized bills.

Step 2. System auto-validates claim against per diem slab and flags exceptions.

Step 3. Reporting Manager reviews and approves or queries the claim.

Step 4. Finance Shared Services processes approved claims for payout within 10 working days.

Step 5. Forex card balance, if any, is settled/recovered upon return.

7. Exceptions

- Client-hosted meals do not count against the per diem and must be declared separately as 'hosted meal — no claim'.
- Emergency medical expenses during travel may be claimed outside standard non-reimbursable exclusions with supporting documentation.

8. FAQs

Q: What happens if I don't use my full forex card balance?

A: Unused balance beyond a Rs. 2,000 equivalent threshold must be surrendered or adjusted against future travel; it is not treated as a personal benefit.

Q: Can I claim expenses without original receipts?

A: Digital/scanned receipts are accepted; claims above Rs. 500 without any receipt require Department Head approval with justification.

Q: Is the per diem paid even if the company covers my hotel and flights?

A: Yes, per diem covers meals and incidentals independent of hotel and airfare arrangements.
