This is a fictional demo document created for AI assistant / RAG training purposes. It does not represent an actual Volkswagen Group Digital Solutions policy.

1. Purpose

This policy defines the standards and entitlements for hotel accommodation booked for employees during official business travel, ensuring safety, comfort, and cost control.

2. Scope

Applicable to all employees, management trainees, and contractors requiring overnight accommodation for approved business travel, domestic or international.

3. Definitions

Term	Definition
Empaneled Hotel	A hotel that has a pre-negotiated corporate rate agreement with VWGDS (Demo).
Room Category	The tier of hotel room (Standard, Deluxe, Suite) an employee is entitled to based on grade.
Extended Stay	Any hotel stay exceeding 5 consecutive nights at a single location.
No-show Charge	A charge levied by the hotel when a confirmed booking is not utilized without cancellation.

4. Policy

Booking Channel

All hotel bookings must be made through the corporate travel portal using empaneled hotels wherever available within a 5 km radius of the work location.

Room Entitlement

Management Trainees and Executives are entitled to Standard rooms; Band C and above are entitled to Deluxe rooms; Suites require Department Head approval regardless of grade.

Rate Cap

Domestic hotel bookings are capped at Rs. 8,000 per night in metro cities and Rs. 5,500 per night in non-metro cities, inclusive of taxes.

Extended Stay Approval

Any stay exceeding 5 consecutive nights at one location requires HR Business Partner approval and may be converted to a monthly corporate accommodation rate.

Cancellation Discipline

Employees must cancel unused bookings at least 24 hours in advance. Repeated no-shows may result in the cost being recovered from the employee.

5. Approval Matrix

Scenario	Approval Required
Standard/Deluxe room within rate cap	Reporting Manager
Room above rate cap	Department Head
Suite category	Department Head + HR
Extended stay (>5 nights)	HR Business Partner

6. Workflow

Step 1. Hotel booking request is raised along with the Travel Requisition (TR).

Step 2. Travel Desk shares available empaneled hotel options within policy rate cap.

Step 3. Employee/Manager selects preferred option; booking confirmed by Travel Desk.

Step 4. Confirmation and check-in details are shared 48 hours prior to travel.

Step 5. Post-stay, folio/invoice is uploaded for expense reconciliation.

7. Exceptions

- In locations with no empaneled hotel, market-rate booking is allowed with Department Head approval and supporting rate comparison.
- During large-scale events (e.g., trade fairs) where rates are seasonally inflated, temporary rate cap relaxation may be approved by the Travel Desk Head.
